### **The King of Pop**

Michael Jackson was born on 29 August 1958 in Indiana, USA. He was the eighth child in a family of ten children – he had three sisters and six brothers. He had a difficult relationship with his father. His brothers played in a band called The Jackson Five. Jackson was a musical prodigy and soon became the star of The Jackson Five. He was a fantastic singer and dancer.

In the 1980s Jackson left the band and began singing on his own. He was very successful and sold millions of records. But he had a lot of problems too. People were worried about his behaviour, and he needed a lot of help from doctors. In 1988 he built a house called Neverland which cost \$17 million – he closed the house in 2006 because he didn't have enough money to keep it.

Jackson married twice and had three children – two with his second wife, Debbie Rowe. He called them Michael Joseph Jr (Prince), Paris-Michael, and Prince Michael II (Blanket). The world-famous King of Pop died in 2009 at the age of 50. President Obama sent Jackson's family a letter saying Michael Jackson was a great musician.
